MAJOR GIFT RECOGNITION

As some supporters of our efforts are able and willing to be generous benefactors, we would like to recognize them with placement of their names on our "Forest of Giving" Donor Wall located in the lobby of our Center. Placement will vary as follows:

Bronze - \$1,000 Silver - \$2,500 Gold - \$5,000 Diamond - \$10,000

Gifts over a period of years may accumulate to an above amount and then be placed on the tree display. For those who would like to make a larger gift, an area of the hospital may be named after them for an amount to be determined. Also, for those who might wish to have a tree planted with a stone and plaque beneath, that may also be done. Our wetlands & healing garden may also provide other opportunities for recognition items.
