

Therapy Technician

Southwest Regional Rehabilitation Center, a 26-bed comprehensive inpatient and outpatient Medical Rehabilitation Hospital in Battle Creek, is currently seeking an On-call Therapy Technician. Candidates must possess:

- 1) A high school diploma or equivalent
- 2) Computer skills preferred.
- 3) Previous hospital patient care experience preferred.
- 4) Good physical tolerance for lifting, pushing and pulling involving patients and equipment.
- 5) Ability to learn and apply technical treatment techniques and procedures.
- 6) Interpersonal skills adequate to work effectively with patients and with varying physical and emotional needs of departmental staff.
- 7) Knowledge and skills necessary to provide care appropriate to any age-related needs of the patient served on team member's assigned unit.
- 8) Verbal skills, hearing, sight and manual dexterity are required.
- 9) Weekend rotation required.

Qualified candidates may apply to:
